4 BEDROOMS | 2 BATHS | ATTACHED CARPORT | 0.43 ACRES

Tons of space in this two story house on a huge corner lot in a great neighborhood in Hines! Open floor plan on the upper level with a large master bedroom, good sized kitchen with a bar and an open living and dining area with lots of natural light. Step out onto the screened front porch overlooking the huge and completely fenced yard to watch the kids play and take in the quiet neighborhood. Step down into the attached two car garage with additional shop space in the back as well as an extra storage room down the hall. Three bedrooms, laundry/utility room a bath on the basement level that also includes a nice sized family room and opens up to a patio leading to the yard. The garden area is completely fenced with raised beds and tons of space. Chicken coop, dog kennel, graveled parking with a gate at the north end of the lot. This is a perfect home for a family with space for the kids or for hosting gatherings. It has newer floors throughout and lots of updated fixtures.
